Subject: Barn Finds

Hi [Seller's Name],

I've been browsing your shop and noticed you have a lot of classic cars. I've been digging through barns and garages for years, and I've got a few that might be a good fit for your inventory.

I'd love to write a feature for your shop's blog about the process of finding and restoring these cars. Would you be interested in something like that?

Let me know what you think! I'm excited to connect with you and explore this opportunity.

Thanks for your time, [Your Name]
